SEMİH YILMAZ

+90-553-363-**** / semihyilmaz032@gmail.com / Turkey

ABOUT ME

- Computer Engineer with 5 years of hands on experience in developing/publishing 30+ apps/games (6,000+ users) across Steam, Google Play, itch.io, and GitHub. I also self-hosted/designed/developed multiple websites.
- Led teams of up to 9 people in up to 5 month month-long projects.
- Achieved top rankings (1st, 2nd and 4th places, all top 1%) in global game jams.
- Has C#/Unity/Godot/Web Development/Linux/Self Web Hosting/Home Server certificates.
- Fluent in English and Turkish; creator of a programming-focused English YouTube channel.
- I have short videos of most of my completed projects in my Youtube channel. But some entries are not included in my videos; for example, I optimized my Auto Galton Board app performance by 57x on a 6-core CPU through algorithmic refinement (no overclocking/debloating).

SKILLS

Game dev: Unity, Godot, Love2d
Languages: C#, Python, Lua, GDScript, JavaScript
OS: Linux, Bash, Windows
Other: Git, Github, Pyautogui
Tools: Shotcut, Canva

PROJECTS *i was the sole developer and sole/secondary game designer of these projects.*

Sheep Dreams (Unity, C#, Gimp, Aseprite): Platformer Game. Developed within **a week**. Came at **1st** place out of 64.

Hack(); (Unity, C#, Aseprite): Hacking game with its own parser for commands and command combinations. Developed within **72 hours**. Was **4th/274**.

Endless Hook & Swing (Unity, C#, Gimp): Google Play game. Supports every resolution

Infinite Platformer (Unity, Google Mobile Ads SDK, C#, Gimp): Google Play game. Has; Procedurel generation, "admob ads", "in-app purchases", "continue by watching ad" etc.

Grind Mindset (Html/CSS/JS, nw.js and numerous tools): Steam game. 2-4h of content. Sold over **50 copies under 3 days**. (Has been 3 days since release as of writing)

Dino (Unity, LÖVE, Solar2D, MonoGame, Html/CSS/JS, Minecraft): Same simple game, made with 6 different methods.

EDUCATION

Bandırma Onyedi Eylül Üniversitesi
Bachelors degree in Computer Engineering (English)
